COLLECTIONS POLICY

River Place Residential Community Association, Inc.

January 1, 2012

The Association's Board of Directors adopts this collections policy.

1. **Due Date:** Assessments are due in advance on January 1st.
2. **Late Date:** If payment is not received by the 30th day of January, the assessment shall be deemed delinquent, and will incur a late fee. **The late fee is \$20.00 , and will continue to be imposed on the 1st day of each month as long as the account reflects an outstanding balance due.** The fee is to defray the additional administrative time involved in collection of delinquent accounts.
3. **Authorization to Proceed:** The collection process has multiple steps: (a) notice of delinquency and offer of payment plan; (b) demand letter by attorney or collection agent; (c) notice of lien claim recorded in property records; (d) foreclosure. The Board authorizes the managing agent to take all steps except foreclosure. Foreclosure must be authorized by the Board at a meeting for which the published agenda gives fair notice that assessment delinquencies will be discussed. To safeguard owners' privacy rights, no identifying information about the accounts will be published in the agenda or discussed in open meeting where persons other than the Directors and managing agent are in attendance.
4. **Payment Plan Offer:** When (a) an account is delinquent by at least three months or (b) the amount owed exceeds \$400.00, the Association will send a payment plan offer to the owner (provided the owner has not defaulted on a payment plan in the preceding two years). Among the factors that will be considered in setting payment plan terms are: length of delinquency, amount due, owners' payment history, reason for non-payment, owner performance on previous payment plans, and violation history, to the extent it reflects owner's willingness to abide by Association rules and standards, as well as any other relevant circumstance. The Association shall have discretion to tailor the payment plan to an owner's personal circumstances, and thus payment plan terms may not be identical for all owners. The Board of Directors delegates to the managing agent and the Association's attorney (who each may act without the joinder of the other) the authority to set payment plan terms for an owner. Additional provisions relating to payment plans are set forth in the Association's Payment Plan Guidelines, which document is incorporated by reference in this Collection Policy.
5. **Referral to Collection Agent:** **If the Association and owner do not agree on a payment plan within 30 days of the offer, or if the owner defaults under an agreed payment plan, the account shall be referred to an attorney or agency for collection.** The timing of the referral shall be at the discretion of the Association.
6. **Payment Arrangements:** The Association is required to offer a payment plan only once: before referring the account to an attorney or collection agent. The Association may offer payment plans later in the collection process, but that decision is completely optional. If an owner does not accept or defaults on the initial payment plan offer, the Association does not have to offer the same payment terms at a later time. **As a general rule, the older and larger an account becomes, the stricter the payment plan terms will be.**

7. Owner Rights During Delinquency: The Association may withhold from an owner the right to use/access Association amenities during the period of delinquency. If the owner is on a payment plan, then the right to use the amenities will be restored when the owner has paid ___% of the delinquency plus 100% of assessments that have accrued since the beginning of the payment plan. The delinquency shall not affect the owner's right to vote or serve on the Board of Directors.
8. Collection costs: The Association will initially pay for all collection costs and attorneys fees, but will bill the same to a delinquent owner's account. **The owner must reimburse to the Association all collection fees.**
9. NSF Fees: **A fee of \$25.00 will be levied for each returned check.** In the event an owner delivers two or more checks within a 6 month period that are dishonored, the Association reserves the right to require that future payments be made by money order, cashier's check, or other certified funds.
10. Application of Payments: If an owner is in default under a payment plan or does not enter into a payment plan within 30 days of the Association's offering a payment plan, any payments thereafter made will be credited as follows:
 - a. maintenance/repair costs incurred by the Association (such as mowing charges)
 - b. collection costs, including attorney's fees and manager's charges
 - c. late fees
 - d. delinquent assessments
 - e. current assessments
 - f. fines
11. Partial or Conditional Payments: The Association will return to the owner all partial payments that are (a) delivered with a notation "payment in full" or comparable stipulation or (b) backdated to make it appear that a late payment was tendered on time.
12. Exceptions; The Association may make exceptions to this Collections Policy for good cause or in the interest of fairness or economy. Each exception is made on its own merits, and the Board is not required to make the same exception for every owner.

Exhibit B

PAYMENT PLAN GUIDELINES River Place Residential Community Association, Inc. January 1, 2012

These payment plan guidelines are adopted by the Association's Board of Directors pursuant to Texas Property Code § 209.0062 (the Act).

1. Offer of Payment Plan

A payment plan will be offered upon an owner's request. A payment plan will also be offered prior to the Association sending the matter to an attorney for collection. As a general rule, this will occur when the account balance exceeds \$400.00 or is more than 3 months delinquent; but the Board may vary this time frame in its discretion. The owner has 30 days after the date of the offer to accept the payment plan (per section 5 below) or negotiate an alternative plan with the Association; failure to enter into a mutually acceptable payment plan within 30 days of the Association's offer of a plan will be treated the same as a payment plan default.

2. Eligibility for Payment Plan

All owners are eligible to receive a payment plan, unless disqualified. **An owner who defaults under a payment plan will be disqualified from receiving a payment plan for two (2) years after the default.**

3. Standards

The Association will allow owners to pay delinquent regular and special assessments in payments over a period of no less than 3 months. Payments shall be made at intervals of not more than 30 days. Payments shall be roughly equal in amount (balloon payments that defer payment of most of the debt to the end of the period are unacceptable). **The owner must also pay current assessments when due.**

4. Payment Amount

The amount of each payment, frequency of payment, and length of the payment period is up to the Board's reasonable discretion. Factors that may be considered include the length of the delinquency, the amount due, the owner's payment history, time elapsed between the Association's offer of a payment plan and owner's acceptance, the promptness with which owner acts, reason for non-payment, owner's performance on previous payment plans, violation history (to the extent it reflects owner's willingness to abide by Association rules and standards, and any other relevant circumstances. The Board of Directors authorizes the managing agent and the Association's attorney (which may act without the joinder of the other) to set payment plan terms for an owner.

5. Owner Signature

Every plan must be in writing and signed by the owner(s); the owner must return a signed copy to the Association within 30 days of the date the Association sends the plan to the owner. The owner must also provide reasonable contact and identifying information requested by the Association, and notify the Association of any change in contact information during the plan.

6. Fees and Interest

As long as the owner complies with the requirements of the plan, the Association will not charge any late fees during the plan. **The Association may charge a fee of no more than \$25.00 for preparing the plan agreement, plus a monthly administrative processing fee of \$25.00 to \$50.00,** depending on the length of the plan. In addition, if the payment plan involves a special assessment, the owner must reimburse the Association for any interest the Association must pay, or additional cost incurred, as a result of the owner not paying the special assessment when due.

7. Default

The owner will be in default under an agreed plan if the owner does not pay (a) the agreed installment payment on time or (b) any current assessment as it accrues. An NSF check will be considered non-payment. If the owner defaults under the plan, the Association may demand immediate payment of the entire amount due, resume charging late fees, and refer the matter to an attorney for collection. In addition, any payments received subsequent to default will be applied as provided in the Collections Policy.

8. Appeal

The Association shall give written notice of default to the owner. The owner may appeal to the Board. Submitting an appeal does not relieve the owner from the obligation to pay past due or present assessments; and the Board may consider non-payment during the appeal period as a factor adverse to the owner's appeal. The Association shall have the right to charge a reasonable administrative fee (not to exceed \$50.00) for providing notice of default.

9. Modification

An owner may ask the Association to modify the payment plan. All such requests must be in writing and supported by specific reasons. A request for modification must be made within ten (10) days of the date the Association offers the payment plan to owner. If the request for modification is due to events that occur after the plan is accepted, the owner should request modification as soon as possible after the event.

10. Waiver

The Association may waive or choose not to enforce these guidelines as to one or more owners. Non-enforcement shall never be construed as an abandonment or waiver of these guidelines. No owner shall have any right to receive the same terms each time a payment plan is offered to the owner. No owner has a right to demand a plan that differs from the parameters set forth in these guidelines.

11. Temporary Relief

Payment plan is intended to provide temporary relief to alleviate immediate financial hardship. At the end of the plan, owner will be expected to resume paying assessments on the same basis as applies the Association membership in general.

12. Amendment

These guidelines may be amended from time to time by the Association's Board of Directors.

13. Legal Compliance

The Association intends to comply fully with the Act. In case of ambiguity or uncertainty, these guidelines shall be interpreted in a manner consistent with all legal requirements.

RULES RELATING TO RESALE CERTIFICATES **River Place Residential Community Association, Inc.** January 1, 2012

1. Resale Certificates. This policy applies to any Resale Certificate (**Certificate**), as described in Texas Property Code § 207.003.
2. Charges. The standard charge for a Certificate is \$450.00; the standard charge for an update to the Certificate is \$60.00; and the standard charge for a Statement of Account is \$250.00. If a Certificate or Statement is required on less than ten (10) business days notice but more than three (3) business days notice, the charge will be increased by 50%. If a Certificate or Statement is requested on less than three (3) business days notice, the charge will be doubled.
3. Payment. The parties to the lot sale may agree between themselves as to who shall have primary responsibility for paying for the Certificate or Statement. If the Association does not receive full payment, however (for example, dishonored check), the property owner shall be responsible for the fee, and the Association shall be entitled to charge the owner's account for the same.
4. Known Violations. The Certificate will describe violations that are (a) actually known to the Association or (b) readily visible from the street in front of the lot. If the Association does not enter upon the lot, the Certificate will contain language substantially as follows:

The Association did not enter upon the lot to inspect portions not readily visible from the street in front of the lot. If a violation is later discovered in an area that was not readily visible, the then-owner of the lot will be responsible for correcting the violation, even if the violation preexisted his/her purchase of the lot.
5. Inspection on Request. Upon receipt of written authorization by the seller/owner, the Association will enter the lot to inspect areas that are not readily visible from the street in front of the lot. In that event, the Certificate will contain language substantially as follows:

The Association entered on the lot and inspected it (including portions not visible from the street) on or about [date], and noted [no violations] [the following violations: ____].
6. Liability of Subsequent Owners. Individuals who purchase a lot will be responsible for all preexisting violations to the same extent as the previous owner, unless the Association issued a Certificate for the purchase transaction and the Certificate failed to disclose a known violation or a violation that was readily visible from the street in front of the lot. In cases where the Certificate states that the Association entered on the lot and performed the inspection, it will be presumed that any violation that existed at the time of the inspection was a known violation.
7. Exemptions. Certificates shall not be required in circumstances described in Texas Property Code § 5.008(e)(1) - (4) and (6) - (10). These include foreclosure sales, sales by a bankruptcy trustee, and sales among co-owners, or between spouses incident to a divorce. Section 5 above will apply to the liability of purchasers and their successors for pre-existing violations.
8. Governing Law. Adopted by incorporation are provisions with respect to Certificates set forth in Texas Property Code § 207.003.

Exhibit F

ENFORCEMENT AND FINE POLICY River Place Residential Community Association, Inc. January 1, 2012

The Board of Directors adopts the following policy for addressing violations of the governing documents:

A. Remedies for Violations.

1. Remedies. This policy applies to all violations of the Declaration, Bylaws, and recorded rules and regulations of the Association (collectively, a **Violation**). The Board of Directors may respond to a Violation with any of the remedies listed below. The below-listed remedies shall be in addition to any other remedies provided by the Declaration, Bylaws, State statute, or other law:
 - a. suspend or condition the right of an owner and any tenants, occupants, or guests to use of facilities (including all or part of any common areas) operated or managed by the Association;
 - b. record a notice of non-compliance in the Travis County Official Public Records;
 - c. levy a damage assessment against an owner;
 - d. impose costs of collection or enforcement (including manager's and/or attorney's charges) against an owner; and
 - e. assess a fine against the owner and the owner's lot.
2. Vicarious Liability. Owners are responsible for all Violations of their tenants, guests, invitees, or occupants.
3. Administrative Fee. The Association may charge an administrative fee of not more than \$25.00 per notice to defray the time and cost of processing violation notices.
4. Non-Exclusivity. These remedies are cumulative, and may be imposed in combination with each other. For example, the Board may, for the same Violation, suspend the right to use a common area amenity, impose a fine, and charge manager's or attorney's fees incurred incident to enforcement.

- C. Imposition of Fines. The Board gives standing orders to the managing agent to apply this procedure and, if the Violation is not timely cured, impose fines according to the fine schedule set forth below. If the Violation is not within one of the categories shown on the schedule, the Board will set the fine in its reasonable discretion. In setting the fine, the Board may consider all factors it deems relevant, including the nature of the Violation, its frequency, and effect on neighboring owners and properties.

6. Repeat Violations. The fine for a repeat Violation within 6 months will be higher than for the previous violation(s), as shown on the fine schedule.

As a general rule, fines for a discreet incident will be imposed on a per occurrence basis. Fines will be imposed on a daily or weekly basis if the Violation is of a continuous or ongoing nature.

The Board may depart from the foregoing guidelines and impose a fine at a greater rate, provided that the owner is notified in advance of the amount of the fine and given a reasonable opportunity to avoid it.

B. Enforcement Procedure

The following outlines the general enforcement procedure for Violations. Strict compliance is not necessary, as long as the Owner is given fair notice and all statutory conditions for enforcement have been met.

- C. Courtesy First Notice. The Association shall mail a courtesy notice letter to the Owner involved that identifies the alleged Violation, requests that it be corrected within a specified time, and advises of the remedies the Association can impose if non-compliance continues. This step shall not apply for repeat/recurrent Violations for which a notice was sent within the preceding 6 months.
2. Formal Notice. In the event the Violation is not corrected within the specified time, the Association shall give the Owner written notice by certified mail, return receipt requested, that:
 - a. describes the Violation and states the remedy to be imposed, including amount and beginning date of the proposed fine;
 - b. allows the Owner a reasonable time, by a specified date (which date may be shorter than the cure period allowed in the letter sent pursuant to step 1), to cure the Violation and avoid imposition of the remedy; provided, this provision shall not apply if the Owner was given certified mail notice and a reasonable opportunity to cure a similar Violation within the preceding 6 months;
 - c. states that not later than the 30th day after the date the owner received the notice of Violation, the Owner may request a hearing before the Board to contest the matter;
 - d. advises that the request for hearing must be in writing and delivered to the Association;
 - e. states that attorney's fees and costs will be charged if the Violation continues after the conclusion of the hearing or, if no hearing is requested, after the deadline for requesting a hearing.

3. Hearing. Upon receipt of a request for a hearing, the Board shall promptly schedule the hearing and give the owner at least ten days' advance written notice of the date, time, and place of the hearing.
 4. Delivery of Notice. A certified mail letter that is returned to the Association due to the owner's failure or refusal to claim the letter shall be deemed received by the owner on the 5th day after the postmark date of the letter.
- C. Notice of Fine.** If a fine is imposed, the Association shall notify the owner of the levied fine within 30 days. This notice need not be sent by certified mail.

The foregoing procedures do not apply to a lawsuit seeking a temporary restraining order or temporary injunctive relief, or to the collection of regularly scheduled assessments and late fees.

- d. The device is located in a fenced yard or patio and is taller than the fence line.
- e. The device, as installed, voids material warranties.

The owner must pay for the cost of the consultant. The owner must pay for fixing all roof leaks due to the roof-mounted device, and for paying to repair damage caused by the device.

The Association may withhold approval, even if the above standards are met or exceeded, if it determines in writing that placement of the device as proposed by the property owner constitutes a condition that substantially interferes with the use and enjoyment of land by causing unreasonable discomfort or annoyance to persons of ordinary sensibilities.
