

**RESIDENTS OF RIVER PLACE MUD
PROGRESSIVE WASTE SOLUTIONS OF TX
IS NOW
WASTE CONNECTIONS INC**

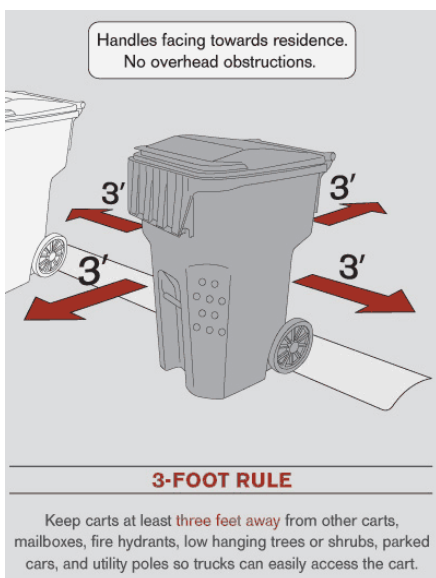

WASTE CONNECTIONS, INC.
Connect with the Future®

Progressive Waste Solutions recently merged with Waste Connections. Our new name and logo is Waste Connections. We are still the same people locally that provide your solid waste and recycling services. As a legal matter we are still Progressive Waste solutions of TX, Inc. Our number ONE company core value is SAFETY! This means safety for our customers, the public, and our drivers and helpers.

NEW RECYCLING TRUCK

You may have noticed a new type of recycling truck in your neighborhood.

It is an automated side loader. The advantage of it is it is safer by using a robot arm to collect the recyclables rather than having personnel exposed to traffic.

For our new recycling truck to work effectively it is very helpful for us if you will follow these best practices

We are proud to serve you and the River Place Municipal Utilities District!
